

**Building Consent Application
Prelodgement Vetting —
Solid Fuel Heaters**

**Wanganui
District Council**

Application details

This is a preliminary vetting sheet only to establish if there is sufficient information of an acceptable quality before it is received for lodgement and processing. This prelodgement form is designed to reduce processing time and save you on processing costs.

Plans are required to a suitable drafting standard.

Note: If you do not have the appropriate skills to prepare drawings, please engage a professional.

2 copies of all documentation is required
