give notice that I will be undertaking work at:

(address of where work is to be carried out)

and that I agree to abide fully with the following conditions:

1. Prior to any work being undertaken I will request Council to undertake an initial inspection of its infrastructure assets located in the road corridor to identify any pre-existing damage;
2. At the completion of the scheduled work I will request Council to undertake a final inspection of its infrastructure assets to determine whether any damage has occurred since the initial inspection;
3. To take responsibility for the building related care of infrastructure assets for the duration of the above building and/or resource consents;
4. To pay a non-refundable inspection and administration fee of **\$200.00**;
5. To pay a refundable Infrastructure Bond of **\$1,500.00**;
6. That the refundable Infrastructure Bond can be used by Council to offset the cost of damaged assets relating to other building or resource consents that I am also responsible for;
7. To pay the full cost of making good any damage caused to Council's infrastructure assets to an appropriate standard as determined by Council;
8. The refund of the Infrastructure Bond is subject to the making good of any damage to Council's infrastructure assets (as determined by Council) within a period of 4 (four) weeks from the date of Council's written notification to the above address.

Note: Council should be contacted at the completion of the building work so that it may undertake an inspection of its infrastructure assets to confirm that no damage has occurred. (Please telephone 06 349 0001 to book an inspection)

Explanation

- 1 The Wanganui District Council has significant infrastructure assets in its road corridor. Damage to those assets from building works can come at a cost to the ratepayers of the Wanganui District.
- 2 The purpose of the Infrastructure Bond is to encourage the applicant to ensure the infrastructure assets are not damaged. Further, in the event of damage, the infrastructure bond will ensure that the cost of repairing rests with the party responsible for its damage.
- 3 **Damage includes but is not limited to the following:** damage to footpaths, kerbing and channel, road surface, street furniture, tobies, trees, berms and other Council assets in the road corridor.
- 4 The Infrastructure Bond applies to all building consents (and/or resource consents) for demolition, removal, relocation and construction of dwellings.

Review of Bond Amount

- 5 Pursuant to a Resolution of the Wanganui District Council (17 June 2008) a builder who has multiple building consents may apply for an exemption from paying an infrastructure bond on each consent. The resolution states: *“That the Chief Executive has delegated authority to review the refundable bond amount for builders with multiple consents.”*
- 6 An application for review of the Bond amount can be made on the appropriate form obtainable from the Council building at 101 Guyton Street, Wanganui.
- 7 To find out if you are eligible for a review of the bond amount, please talk to a member of the Building Control team in the first instance.
